Ili lyashi lili pa njuni iitungulula ku buuci iyaleitwa ukuti Ngede, elyo no mulumendo wakaso Gingile. Ubushiku bumo ilyo Gingile aali mu mpanga alelunga, aumfwile aka kooni ka Ngede kalelila. Gingile aatontokenye pa buuci, awe na mate mu kanwa yasabuka. Gingile aaliminine aumfwikisha, uku ninshi aleefwailisha mpaka akamona mu misambo ya muti pa muulu wa mutwe wakwe. “Citiki-citiki-citiki,” efyalelila akooni, elyo kaima kapupuka ukufuma ku muti ukuya kuli umbi. “Citiki-citiki-citiki,” kalemwita, uku ninshi kaletanauka ku miti no kuloleela pa kushininkisha ukuti Gingile aleekakonka.

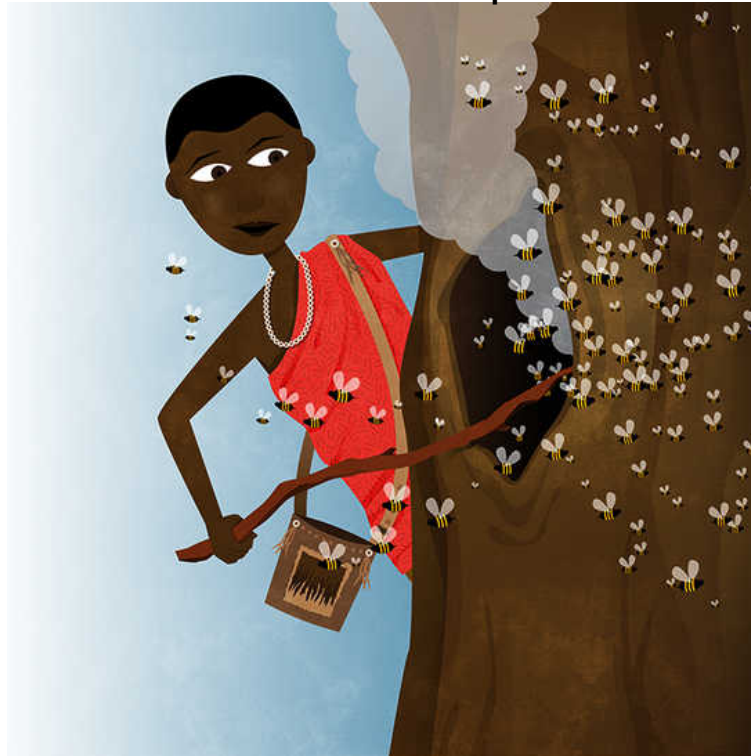

Panuma ya kashita kanoono, bafika pa mukunyu uukalamba. Ngede alatanauka nga uupenene mu misambo. Elyo aikala pa musambo umo no kununusha umutwe kwati aleecesha Gingile ukuti, “Ubu apa! Isa nomba. Cinshi uleekokwela?” Gingile taamwene inshimu ku muti ukufuma apo aiminine lelo alicetekele ukuti Ngede teeti abeepe.

Efyo aabikile ifumo lyakwe mwisamba lya cimuti, alonganika utusansu akosha umulilo. Elyo umulilo wayakile, aabulile akamuti akatali akauma akabiika pa mulilo. Gingile aalishibe na kale ukuti aka kamuti kaalefuusha saana icuushi nga kalepya. Aatampile ukuniina ku muti, aasumine ku lubali lwa kamuti ukwatalele ukushalefuuka cuushi.

Mu kashita kanoono aumfwa uko inshimu shilelila.
Shalefuma no kwingila mu lupako lwa cimuti – umo
shaleikala. Cilya Gingile afika pa lupako, aingisha
ulubali lwa kamuti ukwalefuuka icuushi mu lupako.
Inshimu shalapupuka ukufumamo, nashikalipa.
Shapupuka shaya pantu tashatemenwe icuushi –
lelo lintu tashilaya shimo shasha shamusuma
shamushiila ne imbola ishakalipa.

Cilya inshimu shaya, aingisha ukuboko mu lupako.
Asendamo ifipeepe, ifyaisula ubuuci ne fyana fya
nshimu ifyaina. Abiika ifipeepe bwino-bwino mu
kacoola aakobeeke pa kubeya atampa no kwikila.

Ngede aaleetamba fyonse ifyaleecita Gingile.
Aaleeloleela ukumushilako icipeepe icatikama pa
kumutotela pafyo amutungulwile ku buuci. Ngede
aile aleetanuka ku misambo aleepalamina panshi.
Gingile asuka afika panshi ya cimuti. Ngede aikala
pelibwe mupeepi no mulumendo alaalelela
icilambu.

Lelo Gingile aashimishefye umulilo, abuula ifumo lyakwe ayamba no kubwekela ku mushi ukwabula no kupoosa amaano ku kooni. Ngede alila ati, “Fikici-to! Fiki-to!” Gingile aiminina alolesha akooni, ayamba no kukaseka. “Mune uleefwaya ubuuci? Nine nacibomba incito yonse, nine inshimu shacisuma. Cinshi nalakupeeelako ubuuci bwandi?” Efyo aile no kuya. Ngede tepakufulwa! Lelo aalishibe ukuti akalandula.

Ubushiku bumbi panuma ya milungu iingi, Gingile na kabili aumfwile Ngede aleita. Aibukisha ifyo ubuuci bwalowele, na kabili akonka akooni. Panuma yakupishanya Gingile mumbali ya miti, Ngede aikala mwisamba lya cimuti ca myunga pakuti atusheeko. "Ahh, ubuci bufwile ukuba kuli uyu muti," efyatontonkenye Gingile. Bwangu-bwangu akosha akamulilo ayamba no kuniina ku cimuti, nasuma na kamuti akaleefuusha icuushi. Ngede ninshi naikala aleetamba.

Gingile aniina ku muti nomba camupapusha pantu taaleumfwa inshimu nga lyonse. Mu maano alaatonkanya ati, "Limbi inshimu shaaba mukati kalupako ulutali." Aya ku musambo umbi. Nomba ese aloleshe, baloleshanya ne mbwili. Imbwili tepakufulwa pa kuifulunganishisha utulo. Yatina amenso, no kwasama pa kulangisha ameenso ayatali ayatwa.

Bwangu-bwangu Imbwili tailamufoola, Gingile
apululuka ku muti. Mu kufwaya ukwikila lubilo-
lubilo apusa umusambo, no kuya ponena panshi na
luntu aifyutula ne nkolokoso. Aya ulubilo alesunta.
Iceshuko, Imbwili yali no tulo tayamupepeeke.
Ngede, injuni, efyo aalandwile. Gingile nao efyo
aasambiliile.

Kanshi ilyo abaana bakwa Gingile bomfwa ili lyashi lyakwa Ngede, balacindika aka kooni. Lyonse nga bapanda ubuuci, balashilako injuni icipeepe ca buuci icikulu.
