Odongo na Apiyo baaleikala na bawishi ku kalaale.
Lyonse baaleekabila saana ukuba pa cuuti.
Tepamulandufye wakuti baaleisala isukulu lelo nico
baalefwaisha ukuya mu kutandala kuli banakulu.
Banakulu baaleikala mu mushi uwabalondo besabi
uwali mupepi na cibeemba icikulu.

Odongo na Apiyo baalisansamwike saana ilyo inshita yakuya mu kutandalila banakulu yafikile na kabili. Ubushiku balaliile ubulendo, baalongele ifipe fyabo ukupekanya ubulendo ubutali ubwakuya ku mushi. Ubo bushiku, tabaaleele iyo, baaceseshefye ukulanda pali cuuti.

Ubushiku bwakonkelopo uluceeloceelo, baimine ubulendo bwakuya ku mushi muli motoka yaba wishi. Mu nshila, bapitile mumpili, bakumenye ne nama shampanga kabili baapitile na mumabala ya tii. Mu nshila balepeenda bamotoka no kwiimba inyimbo.

Ilyo paapitile nshita, abaana baalinakile bapona na mutulo.

Ilyo baafikile ku mushi, bawishi bashibwishe
Odongo na Apiyo. Baasangile banakulu ba Nyar-
Kanyada naabasendama pa mpasa mwisamba lya
cimuti. Ishina lya Nyar-Kanyada mu ci Luo lipilibula
ukuti, umwana wa beena Kanyada. Ba Nyar-
Kanyada baali abayemba saana kabili abakosa.

Ba Nyar-Kanyada balibapokeleele mu njanda no kutampa ukushana no kwimba ne nsaansa ishiingi saana. Abeshikulu balisansamwike saana no kupeela banakulu ifyabupe babaleeteele ukufuma ku kalaale. Odongo aasosele ati, “Balileenipo ukwisula icabupe imuleteele.” “Awe, balileenipo icabupe imuleteele!” efyasosele Apiyo.

Panuma yakwisula ifyabupe, ba Nyar-Kanyada
baapaalile abeshikulu babo ukulingana ne ntambi.

Panuma ya ifi fyonse, Odongo na Apiyo baile panse.
Baatampile ukupepeka fipelebesha ne fyuni.

Baaleniiina ku fimuti elyo no kusansana ameenishi
ayamuli beemba.

Ilyo pafiitile, balibwelelemo ku ṇanda mu kulya
icakulya ca cungulo-bushiku. Ilyo baali tabalapwisha
no kulya, baponeene umutulo!

Ubushiku bwakonkelepo, bawishi balibwelelemo ku kalaale. Baashile Odongo na Apiyo kuli ba Nyar-Kanyada.

Odongo na Apiyo baalefwa banakulu imilimo yonse iyapananda. Baaletapa ameenshi no kuteeba inkuni. Baaleetoola na mani ya nkoko no kusaba umusaalu ukufuma mwibala.

Banakulu bafundile abeshikulu baabo ifyakunaya
ubwali ubwanaka. Baalibalangile ne fyakwipika
umupuunga uwakuliila nesabi ilyakooca.

Ubushiku bumo, Odongo aile mu kucema injombe sha banakulu. Injombe shabutukilile mwibala lya bena mupalamano. Umwine webala aafuliilwe Odongo pafyacitiike. Umulimi aebele Odongo ukuti alamupoka injombe pa kumuliila ifilimwa fyakwe. Ukufuma apo, umulumendo aaliposeleko amaano ukumona ukuti injombe tashileetele imilandu na kabili.

Ubushiku bumbi, abaana baile naba Nyar-Kanyada ku maliketi. Baalikwete incende apo aleshitiisha umusaalu, shuga elyo na sopo. Apiyo aatemenwe ukweba abantu umutengo wa fintu baaleshitisha. Odongo aatemenwe ukulonga ifintu ifyo abantu baaleeshita.

Icungulo baanwine tii na banakulu. Panuma,
bayafwileko banakulu ukupenda indalama
baapangile.

Lelo tacaposele ne nshita iitali cuuti alipwile na baana baali no kubwelelamo ku tauni. Ba Nyar-Kanyada baapeele Odongo akasote elyo Apiyo baamupeelee sweeta. Baabalongeele ne filyo ifyakulya pa buleendo.

Ilyo bawishi baishile mu kubasenda, tabaaleefwaya ukubwelelamo. Abaana bapaapaata ba Nyar-Kanyada ukuti baye nabo ku kalaale. Banakulu baamwentwilefye no kusosa ati, “Nalikota saana uwakwikala ku kalaale. Nkalamulolelafye mpaka ilyo mukeesa kuno mushi na kabili.”

Odongo na Apiyo bakumbatiile banakulu no
kubashalikapo.

Ilyo Odongo na Apiyo baabwelelelemo ku sukulu bashimikileko abanaabo pa mikalile yaku mushi. Abaana bamo baamwene ukuti ubwikashi bwamukalaale bwawamapo ukucila ku mushi. Bambi nabo baamwene kwati ubwikashi bwakumushi bwawamapo. Nomba panuma, abaana bonse basumiine ukuti Odongo na Apiyo baalikwete nakulu uwa mutima uusuma.
